

MISCELLANEOUS TEXT (FEC Form 99)

This filing is in response to communications from Ms. Krista Roche on October 31, 2013 in an effort to resolve ADR 649. The APWU regrets the inaccuracies of our earlier filings in this matter. The expenses in question were for communications entirely to our own members. The expenses paid for a mailing to only members soliciting PAC donations and two other mailings to only members comparing the policy positions of President Barack Obama and Mitt Romney. These communications were disseminated on 10/23/2012, 10/29/2012 and 10/31/2012. The payments for these communications were made on 10/19/2012, 10/23/2012 and 10/25/2012. No debt for these activities was incurred between 10/1/2012 and 10/17/2012. In an attempt to rectify our initial erroneous reporting of these payments as independent expenditures, they were instead reported as debt on a 12 Day Pre-General Amendment that we filed on April 2, 2013. We will file an amended 12 Day Pre General Report to remove that debt
