### NEGOTIATED SETTLEMENT

This matter was initiated by the Federal Election Commission (Commission) pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. Following review of the matter, and in an effort to promote compliance with the Federal Election Campaign Act of 1971, as amended, (FECA) and resolve this matter, the Commission entered into negotiations with Adam Lang, Esq., representing Gallego for Arizona and Rebecca Winger, Treasurer, in her official capacity as Treasurer (the Committee or Respondents). It is understood that this agreement will have no precedential value relative to any other matters coming before the Commission.

Negotiations between the Commission and Respondents addressed the issues raised in this referral. The parties agree to resolve the matter according to the following terms:

1. The Commission entered into this agreement as part of its responsibility for administering the FECA and in an effort to promote compliance on the part of Respondents. The Commission's use of alternative dispute resolution procedures (ADR) is guided by "The Administrative Dispute Resolution Act of 1996," 5 U.S.C. § 572 and is an extension of 52 U.S.C. § 30109.
2. Respondents voluntarily enter into this agreement with the Commission.
3. The Reports Analysis Division referred Respondents for failing to disclose all financial activity on their 2014 12 Day Pre-General Report. The Committee filed its original 2014 12 Day Pre-General Report on October 23, 2014. On December 4, 2014, January 31, 2015, and February 10, 2015, Respondents filed Amended 2014 12 Day Pre-General Reports that disclosed additional disbursements of \$53,314.07.
4. Treasurers of political committees are required to report all financial activity, including all disbursements, pursuant to the FECA. 52 U.S.C. § 30104(b) (4), 11 C.F.R. § 104.3 (b).
5. Respondents contend, in part, in a memo included with the Amended 2014 12 Day Pre-General Report filed February 10, 2015, the "Committee acknowledges increase in disbursements from original filing . . . which was due to an administrative error. Committee has taken steps to more effectively review and reconcile FEC reports prior to

submission in the future." Respondents further contend that to maintain compliance with the FECA, the Committee retained the services of a new compliance consulting firm that has extensive experience with Congressional campaigns, national political committees and Presidential campaigns.

6. Respondents, in an effort to avoid similar errors in the future, agree to: (a) develop and certify implementation of a compliance operations manual which includes internal controls consistent with those described in the Commission's Internal Controls and Political Committees advisory document (2007) and the Best Practices for Committee Management (published in the April 2009 Record, available at [www.fec.gov/pages/brochures/bestpractices.shtml](http://www.fec.gov/pages/brochures/bestpractices.shtml)), as well as a process to track receipt of and response to communications with the Commission within ninety (90) days of the effective date of this agreement; (b) certify that a representative of the Committee participated in an FEC conference, webinar, or other program developed in consultation with the FEC's Information Division within twelve (12) months of the effective date of this agreement; and (c) pay a civil penalty of \$2,000 within thirty (30) days of the effective date of this agreement.
7. Respondents agree that all information provided to resolve this matter is true and accurate to the best of their knowledge and that they sign this agreement under penalty of perjury pursuant to 28 U.S.C. § 1746.
8. The parties agree that if Respondents fail to comply with the terms of this settlement, the Commission may submit any unpaid civil penalty to the U.S. Treasury for collection or undertake civil action in the U.S. District Court for the District of Columbia to secure compliance.
9. This agreement shall become effective on the date signed by all parties and approved by the Commission. Respondents shall comply with the terms of this agreement as set out in paragraph 6 above, and shall certify compliance with the above settlement terms in writing to the Alternative Dispute Resolution Office on or before the date each term becomes due.
10. This Negotiated Settlement constitutes the entire agreement between the parties on ADR 754 (RAD 15L-07), and resolves those issues identified in paragraph 3 above. No other statement, promise or agreement, either written or oral, made by either party, not included herein, shall be enforceable.
