Ms. Hampton-

Per our conversation earlier today, I write to request a short extension for Mitt Romney and Romney for President with respect to the latest response to MUR 6482. We received the Romney for President letter on 7/29 and have not yet received the letter to Mitt Romney. Given that we are a busy presidential campaign, we request that the new deadline for both be set for August 26, 2011

Thanks,  
Katie
